ADEE Executive Committee
The role, functions and person specific requirements of the ADEE President

The core functions of the ADEE President are set out in the Association’s governance document, the Constitution and Byelaws of ADEE. The most recent revision of these documents was 2016.

This 2016 edition states that the functions of the ADEE President are:

1. The President shall lead ADEE, and preside over the General Assembly and the meetings of the Executive Committee.
2. He/she shall report on the current state of ADEE to the General Assembly.
3. In the case of a tie in voting, in the General Assembly or the Committees of ADEE, the President shall have the casting vote.
4. He/she shall normally represent ADEE at other meetings/conferences when appropriate.

Over time as ADEE has evolved, the role of ADEE President has taken on greater workloads and commitments. Thus, as we embark on the requirement of a potential candidate for appointment as President Elect on 01.01.21 it was felt that this was an opportune time to add greater clarity as to what is expected from an ADEE President so potential candidates can be informed in advance of making an application.

The ADEE President is an unpaid role, however all out of pocket expenses incurred by the President in discharging the role are reimbursed or in the case of travel and accommodation prepaid by ADEE.

While it is hard to quantify the time commitment involved, recent incumbents estimate that, were all the time they spend on ADEE business recorded, it would likely equate to one day per week.

Specifics of the work include:
